Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

My name is Marilyn J. Marshall and I am writing to help with the reissuance of my patent, #6,502,951. I am the subject of identity theft. In 2001 my handbag was stolen with all of my personal belongings. My social security card was taken along with credit cards and check book. I have no knowledge of the person who did this crime against me. But, it put me into a state of distress. I could not get credit or handle normal business. And eventually I had to file bankruptcy. Keller firm here in Houston help me thru -> end.

this trying time. It has been very difficult pulling my life back together. So, I'm asking for a second chance to move forward with getting my product to the market. I have a standing agreement with several large stores here in Houston, Tx. and abroad. I shouldn't have any more problems with paying my Maintenance fees on time.

I thank you for understanding my situation.
